Information about the Equipment

**2.School of Clinical Research, Medical and Health Sciences**

| S.No. | NAME OF THE ITEMS  | Department           | No. Available | Value (in Rs.) | Present Condition | Date of Purchase |
|-------|--|----------------------|---------------|----------------|-------------------|------------------|
| 1     | Table with marble or stainless steel tops with a minimum size of 6' x 2' x3'                           | Anatomy              | 18            | 18000          | Working           | 06-10-2024       |
| 2     | Tables with marble or stainless steel tops - half standard size  | Anatomy              | 5             | 18000          | Working           | 06-10-2024       |
| 3     | Storage tank to hold 10 cadavers, static/movable, durable tank with input and output facility with lid | Anatomy              | 3             | 45000          | Working           | 16-06-2024       |
| 4     | Plastic tanks for storing soft and dissected parts   | Anatomy              | 10            | 1850           | Working           | 07-10-2024       |
| 5     | Multimedia Projector with screen   | Anatomy              | 2             | 32000          | Working           | 07-10-2024       |
| 6     | Trolley Table (Steel)  | Anatomy              | 2             | 24500          | Working           | 19-08-2024       |
| 7     | Movie camera with projection screen  | Anatomy              | 1             | 30000          | Working           | 19-08-2024       |
| 8     | Dissecting instruments for cadaveric dissection  | Anatomy              | 1             | 3750           | Working           | 19-08-2024       |
| 9     | Meat cutting machine for thin body sections (trans and vertical) for gross anatomy sectional study     | Anatomy              | 1             | 52380          | Working           | 24-08-2002       |
| 10    | Cadavers   | Anatomy              | 15            | 75000          | Working           | 13-11-2019       |
| 11    | Embalming Machine  | Anatomy              | 1             | 48000          | Working           | 19-08-2024       |
| 12    | X-ray viewing lobby  | Radiology            | 4             | 4000           | Working           | 19-08-2024       |
| 13    | Conventional X-ray Unit for routine X ray 300 mA, 500mA, 800mA (with IITV) - 1 each                    | Radiology            | 1             | 1120000        | Working           | 04-06-2015       |

**Subject:- Establishment of MNR University, Sangareddy, Gr. Hyderabad, Telangana - regarding.**

Sir,

This has reference to the letter No.MNRU/UGC/1/2024 dated 08.09.2024 and submission of notarized affidavit dated 27.09.2024 on the subject cited above. The University has submitted attested copy of the **Telangana State Private Universities (Establishment and Regulation) (Amendment) Act, 2024 (Act No.11 of 2024)** which has been notified vide **Notification No.11 dated 30.07.2024** wherein **MNR University, Sangareddy, Gr. Hyderabad, Telangana** has been established as a State (Private) University, by the Govt. of Telangana. The **MNR University, Sangareddy, Gr. Hyderabad, Telangana** has come into force with effect from 30.07.2024 (**Section 1(2) of the Act No.11 of 2024**). Vide Affidavit dated 27.09.2024, the university has also submitted an Undertaking that it will not open/establish any off-campus without the prior and specific approval of UGC and the State Government.

Accordingly, the name of the University has been included in the list of Universities established as per Section 2(f) of UGC Act, 1956. The lists of all UGC recognized Higher Education Institutions (Universities and Colleges) are uploaded on the UGC website <https://www.ugc.gov.in> and may be accessed at the tab HEIs.

The University may note and adhere to the following:

1. The University shall follow the UGC (Establishment of and Maintenance of Standards in Private Universities) Regulation, 2003, and other Regulations issued from time to time and posted on the UGC website.
2. The University shall follow the University Grants Commission (Minimum Standards and Procedures for Award of Ph.D. Degree) Regulations, 2022, and as amended from time to time.
3. No Open and Distance Learning programmes and on-line programmes shall be started without the prior and specific approval of UGC. Relevant UGC Regulations are available on the UGC website [www.ugc.gov.in](http://www.ugc.gov.in).
4. The University shall not have any affiliated Colleges.
5. No off-campus centre(s) is opened by the University outside the territorial jurisdiction of the State in view of the judgment of the Hon'ble Supreme Court of India in the case of Prof. Yashpal Vs. State of Chhattisgarh. In case the University has already started any off campus centre outside the State, it must be closed down immediately.

Gr. Hyderabad, Telangana

6. The university shall not establish/open/affiliate/recognize any off campus or constituent college/unit outside the main campus of university, without the prior and specific approval of UGC.
7. The University must ensure that there is no franchising of higher education even for the purpose of distance education.
8. The University shall immediately appoint an Ombudsperson in accordance with UGC (Redressal of Grievances of Students) Regulations, 2023, for redressal of grievances of students preferably within two months of starting academic activities. The UGC (Redressal of Grievances of Students) Regulations, 2023 is available on the UGC website at link [https://www.ugc.gov.in/pdfnews/4675881\\_Regulation.pdf](https://www.ugc.gov.in/pdfnews/4675881_Regulation.pdf). The details of Ombudsperson should be displayed on the website of university and sent to UGC also.
9. The University shall follow UGC guidelines on Public Self Disclosure by Higher Education Institutions which are available on UGC website at the link- [https://www.ugc.gov.in/pdfnews/7822003\\_GUIDELINES-ON-PUBLIC-SELF-DISCLOSURE-BY-HIGHER-EDUCATION-INSTITUTIONS.pdf](https://www.ugc.gov.in/pdfnews/7822003_GUIDELINES-ON-PUBLIC-SELF-DISCLOSURE-BY-HIGHER-EDUCATION-INSTITUTIONS.pdf)
10. The university shall get necessary accreditation from NAAC.
11. The university shall register and upload the information of all students on Academic Bank of Credits (ABC) and National Academic Depository (NAD) portals of Ministry of Education, Govt. of India.
12. The University is empowered to award degrees as specified under Section 22 of the UGC Act through its main campus in regular mode only. However, prior approvals for running professional, technical and medical programmes shall be obtained from the respective Regulatory Councils/Commissions. Such programmes are governed by the norms of respective Regulatory Councils/Commissions and the approval of concerned Council/Commission is mandatory.
13. The university shall award only such degrees as specified by UGC. The University is required to follow the UGC Notification on Specification of Degrees 2014 and its amendments issued from time to time wherein consolidated list of UGC approved nomenclature of degrees has been specified under Section 22 of the UGC Act, 1956 wherein entry level of each degree and duration of programme have been provided. The approved nomenclature may be followed by the specific area of specialization to be reflected in the parentheses. This notification is available on the UGC website [www.ugc.gov.in](http://www.ugc.gov.in) under the link [https://www.ugc.ac.in/pdfnews/1061840\\_specification-of-degrees-july-2014.pdf](https://www.ugc.ac.in/pdfnews/1061840_specification-of-degrees-july-2014.pdf)
14. The inclusion of the name of the University in the list of universities maintained by the UGC does not by itself allow the University to make admissions in its programmes. This may be done only after creation of required academic and physical infrastructure facilities, including library, laboratories and appointment of teaching and supporting staff as per the norms and standards laid down by the UGC and concerned Regulatory Councils/Commissions.
15. The University is directed to submit detailed information (soft copy only in the prescribed format (available at UGC website at the link <https://www.ugc.gov.in/oldpdf/proformaprivateuniversities.pdf> along with supporting documents duly attested by the Registrar of the University within a period of 3 months from the receipt of this letter. The University is also directed to upload the filled in format and appendices on its website by giving a link on the home page so that the information is accessible to the students and general public.
16. After receipt of the Information in the prescribed format, the following procedure would be adopted by the UGC for inspection of the University:
  - i. The information received from the University in the prescribed format would be posted on the UGC website within 10 days of the receipt of the information. Comments received if any from the general public within 1 month thereafter about the information submitted by the University would be placed before the UGC Expert Committee for perusal.

An Expert Committee would be constituted by the UGC to ascertain whether the University fulfils the criteria in terms of programmes, faculty, infrastructural facilities, financial viability, etc. as laid

down from time to time by the UGC and other concerned statutory bodies such as AICTE, BCI, NMC, DCI, INC, NCTE, PCI, etc.

- III. The UGC Expert Committee would inspect the University within 3 months of the receipt of the information for assessment of infrastructure and other facilities available with the University. The report submitted by the UGC Expert Committee would be sent to the University within 2 weeks of the completion of the visit for comments.
  - IV. The University may respond to the report within a period of two weeks after its receipt. In case no comments are received from the University within the timeframe, it would be presumed that the University has no comments to offer and further action would be taken on the report. After receipt of comments from the University, the report and comments received from the University, if any, would be placed before a Standing Committee of the UGC. The recommendations of the Standing Committee would be then placed before the Commission for consideration.
  - V. The Commission shall take final decision in the matter. It may require the University to submit further compliance report in respect of the observations/suggestions of the UGC Expert Committee/Standing Committee. The compliance report submitted by the University shall be placed before the Standing Committee and approval of the Commission.
  - VI. On approval of the Commission, a letter would be issued by the UGC to the effect that the University fulfills the criteria in terms of programmes, faculty, infrastructural facilities, financial viability, etc. as laid down from time to time by the UGC and other concerned statutory bodies.
  - VII. If it is found that the Private University has, even after getting an opportunity to do so, failed to comply with the provisions of the various UGC Regulations including UGC (Establishment of and maintenance of standards in Private Universities) Regulations, 2003 and suggestions given by the UGC Expert Committee, the Commission may pass an order prohibiting the University from offering any course for the award of the degree and/or the post-graduate degree/diploma, as the case may be, till the deficiency is rectified.
17. The UGC may also take necessary action against the university for not adhering to the Regulations, Guidelines of UGC and inform the public in general through a public notice/notification.

This is issued with the approval of Competent Authority.

Yours faithfully,

  
14/10/24

thanked everyone who contributed to the growth of MNRET and finally evolving into MNR University. He also stated that the University wishes to have a humble beginning with three schools and few courses only to concentrate more on recruitment of eminent faculty and providing best facilities and infrastructure for smooth and effective running of the University for the benefit of students and researchers. Some more schools and courses will be commenced in a phased manner in future depending on the requirements of the state and the country.

Sri M S Ravi Varma, Vice-Chairman, MNRET and Hon'ble Pro-Chancellor, MNR University has narrated the way the Trust has transformed into a University. He recalled how the journey of MNRET started with a tiny school in 1974 in Hyderabad has been marvelous in the last five decades with the establishment of several successful day and residential schools, junior colleges, UG & PG colleges and other professional colleges in Hyderabad, Mumbai, Dubai and Sharjah, UAE. He emphasised that imparting the holistic and multi-disciplinary quality higher education as per NEP 2020 is the main goal of the MNR University. He has stated that the top priority of the university is to recruit highly eminent faculty from national and international institutions to offer quality higher education in the University.

Dr M Anji Reddy, Vice-Chancellor, MNRU has assured the Governing Body that he would strive for university in its pursuit of offering quality education while maintaining highest academic standards. He assured the Governing Body that he would do his level best to rise to the expectations of the Governing Body in making the university one of the top ranking institutions in India and the World.

Sri B Venkatesham, IAS, Hon'ble Principal Secretary to Government (Education Department), Government of Telangana, in his remarks has advised the MNR University to provide quality Higher Education for the benefit of the students and their employability. He wished the MNR University, whose Chairman Sri M N Raju has long experience in education sector as contributed to its growth as a great fighter in the last 50 years. The Principal Secretary opined that staying long in race is more important than the winning. The university should start as a small university like Harvard University and grow as a big university with national and international repute. He also advised Sri M S Ravi Varma Vice-Chairman MNRET & Pro-Chancellor MNR University to carry out the legacy of his father Sri M N Raju to develop the university with the highest standards in education. assured the University that the State Government would extend its full support to its development provided the university follows all norms and regulations as per the provisions in the Principal Act, 2018. He also informed the Governing Body that a G.O would be issued by the State Government very soon on a Tribunal for resolution of cases of disputes in the University. He advised the university to consider the following aspects for achieving and maintaining the academic excellence in Education and Research.

- At least 10% of the seats may be provided for poor and meritorious students who are likely to become ambassadors of the university in future
- Academic Bank of Credits (ABC) for the benefit of students
- Students should spend 25% of their time on social aspects while staying in the campus including the activities of NSS, NCC & Red Cross
- To make the campus a liveable one to contribute to the overall personality development of the students
- The campus should be a zero-net discharge campus with provisions for solid waste management and recycling of water within the campus
- The University should become a futuristic university dreaming always big for achieving academic excellence and repute at national and international levels
- Research and Skill programmes should be given top priority for enhancing employability of the graduates and postgraduates
- Encouragement for achieving Patents and Publications by students and faculty for gaining national and international repute and for bringing laurels to the university

Dr. T V Satyanarayana, Nodal Officer & Registrar-Designate thanked the Hon'ble Principal Secretary to the Government for his very valuable inputs for the progress and development of the University. He has stated that most of the aspects mentioned by the Principal Secretary are included in the First Statutes of the University being submitted for approval.

Then the Agenda items were taken up for discussion and decisions.

### Resolution No. 1

The Governing Body of MNR University has unanimously resolved to gratefully acknowledge and thank the Government of Telangana for its great Vision and Mission and for granting MNR University in its pursuit of providing educational opportunities with quality education to the students of India in general and the Telangana state in particular. The Governing Body has complimented the tenacity and efforts of the State Government for bringing several reforms in education sector keeping in view the importance and requirements of higher education and to meet the Global challenges in the 21<sup>st</sup> Century. The Telangana State Government has enacted the Telangana State Private Universities (Establishment & Regulation) Act 11 of 2018 and amended in 2024 by granting 5 more Private Universities including MNR University in the State due to which the MNR University at Fasalwadi, Sangareddy District is taking a shape now. But for the efforts of the state government and all involved in the process, MNR University would not have come into existence. It is also resolved that The MNRU with its multi-institutional and multi-disciplinary dimensions is highly committed to making curriculum more inclusive and offering skilful education for increasing employability potential of the graduates and postgraduates to fulfill the overall objectives and the purpose for which it was granted by the State Government.

#### Agenda Item.No.4

*Approve the scholarships in the form of merit based concession in Tuition Fee to attract and encourage meritorious students*

The Governing Body opined that the Right to Education is one of the fundamental rights of every Indian citizen. MNR University believes that the extent of fee should not be a roadblock for a student with innovative ideas in his mind and passion in his heart. University extend merit-based concessions in tuition fee to meritorious students based on their academic achievements. The main objective of this program is to provide financial assistance to poor and meritorious students to enable them to pursue quality higher education through professional and technical courses. The following criteria is proposed for merit-based concession in the Tuition fee for the year 2024-25.

**Scholarships in the form of tuition fee concessions based on merit**

**Resolution No. 10 :**

The Governing Body of MNR University approved, in principle, the proposal for offering medical courses by MNR University under the Medical College and Hospital, in accordance with the Letter of Intent (LoI) issued by the Telangana Government vide Lr No 6875/UE/A2/2019 dated 15.02.2020 of the Higher Education (UE) Department.

The Governing Body acknowledged that the transfer of medical courses from KNR University to MNR University as per the LoI would facilitate multi-disciplinary education and promote the integration of emerging technologies such as AI, ML, and Robotics in medical and healthcare education. The proposed medical courses are as follows:

- MBBS
- MD/MS Clinical
- MD Para Clinical
- MD Pre Clinical

All statutory provisions of the Principal Act No. 11 of 2018, including admission procedures, fee structures, and other guidelines stipulated in the LoI, shall be duly followed. With this approval, MNR University is advised to proceed for seeking necessary approvals from the relevant regulatory bodies and the government.

There being no other items discussed, the meeting concluded, and the Registrar thanked the Hon'ble Chairman and all Members.

The Governing Body noted that the proposal was:

- Recommended by the 3<sup>rd</sup> Academic Council Meeting held on 22.05.2025 (Resolution No. 7) by the 5<sup>th</sup> Board of Management Meeting held on 24.05.2025 (Resolution No. 7)

Hence, the Governing Body has considered and recommended the following.

1. **Scope Expansion:** Introduction of new programmes under existing and proposed schools such Business Management, Law, Architecture, Humanities and IKS, and Design—embedding AI, data science, legal tech, and digital humanities to offer **holistic and multi-disciplinary and inter-disciplinary education in the university as envisaged in NEP 2020 education followed by CCFUP, CCFPG of UGC keeping in view the Telangana's rising Infrastructure development and also national demands in the years to come**
2. **Curriculum Design and infrastructure readiness:** Modular, credit-based, interdisciplinary curriculum with embedded AI tools and pedagogy, AI-integrated labs project-based learning, internships, and industry capstone projects.
3. **Governance Compliance:** The inclusion of new academic programmes under the "**Subsequent (Second) Statutes**" (Statute 50(g) to 50(m)) and "**Subsequent (Second) Ordinances**" (Ordinance 7.3(f) to 7.3(l)) to be submitted to the State Government for approval under Sections 27(2) and 29 (1) of the Telangana State Private Universities Act, 2018.
4. **School Renaming and Restructuring:**
  - Renaming of the *School of Engineering & Technology and Artificial Intelligence* to *School of Intelligence & Technology*
  - Renaming of the *School of Clinical Research, Medical and Health Sciences* to *School of Allied and Healthcare Sciences* as the programmes **are regulated by NCHAP**
  - Merging of the *School of Physiotherapy* into the *School of Allied and Healthcare Sciences* for alignment with **NCAHP regulated programmes**
5. **Fee Structure Approval:** Endorsement of the fee structure proposed by the Fee Fixation Committee (FFC) held on 14.06.2025, aligned with Statute 4(C)(28), accounting for AI driven digital tools and high-end labs, industry collaborations, internships for holistic and multi-disciplinary education. The proposed substantial hike in the fee of allied healthcare sciences programmes is consequent to the recent guidelines of NCAHP on FSR (1:5 to 1:10) and high end labs and equipment from AY 2026-27.

Accordingly, the Governing Body approved for recommending the Strategic Launch of the AI-Aligned, Holistic and Multidisciplinary Programmes from AY 2026–27, and the submission of the following to State Government for approval.

- **Subsequent (Second) Statutes** (Statute 50(g) to 50(m))
- **Subsequent (Second) Ordinances** (Ordinance 7.3(f) to 7.3(l))

## Agenda Item. No. 5

*Approval for Bi-Annual Admission Policy (from January 2026) for all Eligible Programmes Including Ph.D as provided in Ordinance 3.24 of the notified First Ordinances and as per UGC guidelines.*

**Resolution No. 5: Approved.** The Governing Body considered the proposal and approved the introduction of a Bi-Annual Admission Policy at MNR University, beginning from January 2026, in accordance with provision in Ordinance No 3.24 of the notified First Ordinances and the directions issued by the University Grants Commission (UGC) vide letter No. F 1-2/2024 (CPP-II) (C No 143903) dated 19.06.2024 based on the recommendations of the Academic Council in its 3<sup>rd</sup> meeting held on 22.05.2025 vide Resolution No. (12) and the Board of Management in its 5<sup>th</sup> meeting held on 24.05.2025 vide Resolution No. (11)

The proposed Bi-Annual Admission Policy allows student intake during **July/August and January/February** each academic year, providing flexibility to students who miss a cycle due to personal or external factors. It is intended to:

- Improve access and inclusivity in higher education
- Contribute to India's GER (Gross Enrolment Ratio) target of 50% by 2035
- Enhance internationalization and optimize academic and infrastructural resources

Admissions will be based on CUET-UG, CUET-PG (conducted by NTA), MNRU's entrance exams, or other national/state-level entrance tests and qualifying examination marks, in accordance with the University's approved admission policy. The academic calendar, quality standards, and support systems will remain identical across both admission cycles.

The Governing Body **approved** the implementation of the **Bi-Annual Admission Policy** for all eligible programmes including Ph.D as provided in Ordinance No 3.24 of the notified first ordinances starting from **January 2026**, and authorized its inclusion in the University's regulatory framework.

At the outset, Prof Dr M Anji Reddy, Vice-Chancellor, MNR University has extended a warm welcome to all the members to the first meeting of the Board of Management of the MNR University. He stated that the University wishes to have a humble beginning with three schools and few courses only to concentrate more on recruitment of eminent faculty and providing best facilities and infrastructure for smooth and effective running of the University for the benefit of students and researchers. Some more schools and courses will be commenced in a phased manner in future depending on the requirements of the state and the country.

Other members have also desired that the university be well established following the provisions of the Telangana State Principal Act 2018, guidelines of the respective regulatory bodies at national level and the NEP 2020 to become a 21<sup>st</sup> century futuristic multi-disciplinary education and research university.

## Agenda Item.No.1

### *Appraisal on Granting of MNR University (MNRU) by Government of Telangana*

#### Resolution No 1 :

The Board of Management of the MNR University has unanimously resolved to gratefully acknowledge and thank the Government of Telangana for its great Vision and Mission and for granting MNR University in its pursuit of providing educational opportunities with quality education to the students of India in general and the Telangana state in particular. The Board of Management has complimented the tenacity and efforts of the State Government for bringing several reforms in education sector keeping in view the importance and requirements of higher education and to meet the Global challenges in the 21<sup>st</sup> Century. The Telangana State Government has enacted the Telangana State Private Universities (Establishment & Regulation) Act 11 of 2018 and amended in 2024 by granting 5 more Private Universities including MNR University in the State due to which the MNR University at Fasalwadi, Sangareddy District is taking a shape now. But for the efforts of the state government and all involved in the process, MNR University would not have come into existence.

It is also resolved that the MNRU is a multi-institutional and multi-disciplinary university making curriculum more inclusive and offering skilful education for increasing employability potential of the graduates and postgraduates. In tune with the National Educational Policy (NEP), the MNRU will aim to develop good, thoughtful, well rounded and creative individuals with ethical and constitutional values, intellectual curiosity, scientific temper and spirit of service, given the 21<sup>st</sup> Century requirements. In the process, new courses which bring a paradigm shift from traditional technologies to the cutting edge technologies are being introduced. The University shall adopt all the guidelines of NEP 2020 in a phased manner. The new student centric "Curriculum and Credit Framework for Undergraduate Programmes" (CCFUP)-2022 and CCFPG 2024 incorporating a flexible choice based credit system, multidisciplinary approach and multiple entry and exit options formulated by UGC will also be implemented in a phased manner. The MNRU is highly committed to making curriculum more inclusive and offering skilful education for increasing employability potential of the graduates and postgraduates to fulfill the overall objectives and the purpose for which it was granted by the State Government.

**Resolution No. 4 : Approved the syllabus for the first-year (first-semester) subjects of the undergraduate programs for the academic year 2024-25 , as recommended by the Academic Council (Resolution No. 4 in its 2<sup>nd</sup> meeting held on 26.11.24)**

Acknowledging the importance of a well-structured syllabus as a guiding framework for consistent learning outcomes, standardized assessments, and alignment with industry and academic standards, the Board appreciates the efforts of the Deans and the Boards of Studies (BoS) in its preparation.

The approved syllabi for the following courses will be implemented across all relevant programs starting from the academic year 2024-25

### Agenda Item.No.5

To recommend new courses to be offered by the university for the academic year 2025-26, as recommended by the Academic Council, along with their annual intake, to the Governing Body, as per Statute 5(d)(45). (Amendment to the First Statutes accordingly)

**Resolution No. 5 : Approved.** The Board approved the following Programmes with Major and Minor courses as per NEP 2020 for the Academic Year 2025-26 as recommended by the Academic Council in its 2<sup>nd</sup> meeting vide Resolution No (5) held on 26.11.24. The Board also recommends the annual intake for each program. These programs contribute to holistic and multi-disciplinary education enhancing the employability skills of the graduates to meet 21<sup>st</sup> century requirements.

The Board of Management recommends these NEP based programmes to the Governing Body for final approval.

## Agenda Item No 11

*Approval for Bi-Annual Admission Policy (from January 2026) for all Eligible Programmes Including Ph.D*

**Resolution No. 11 : Approved.** The Board of Management has considered the introduction of a Bi-Annual Admission Policy for all eligible programmes, including Ph.D., at MNR University, effective from the January 2026 admission cycle.

This initiative is in line with the University Grants Commission (UGC) directions communicated through its letter No. F 1-2/2024 (CPP-II) (C No 143903), dated 19.06.2024, encouraging higher education institutions to adopt flexible admission practices to improve access and Gross Enrolment Ratio (GER).

The proposed Bi-Annual Admission Policy allows students to seek admission in two cycles each year – July/August and January/February – thereby offering improved access to higher education for those who miss a cycle due to delays in exam results, health issues, or personal circumstances.

This policy aligns with the University's commitment to:

- Enhancing student access and motivation for pursuing higher education;
- Contributing to national target of 50% by 2035;
- Optimizing the utilization of available infrastructure and faculty resources;
- Facilitating global collaborations and attracting international students.

Admissions for both cycles will be conducted based on:

- Scores obtained in CUET-UG and CUET-PG conducted by NTA, or
- University-conducted entrance tests, or
- Any national/state level entrance examination, or
- Merit in qualifying examination, as per the existing approved admission policies of the University.

It was further clarified that the quality of education, access to student support systems, and compliance with the academic calendar will be uniformly maintained across both admission cycles.

The Academic Council, in its 3rd meeting held on 22.05.2025, vide Resolution No. (12), has approved the Bi-Annual Admission Policy and recommended the same to the Board of Management for final approval under the powers conferred by Section 22(3) of the Principal Act and Statute 6(d)(2) of the First Statutes.

## **Agenda Item.No.7**

### *Approval of Academic Programmes for the AY 2026-27*

**Resolution No. 7 : Approved.** After due deliberation and in alignment with the University's vision of offering multidisciplinary, innovation-driven, and industry-relevant education as envisioned under NEP 2020, the Council hereby resolves to recommend the introduction of the following new undergraduate, postgraduate, and doctoral programmes across multiple schools of the University, effective from the academic year 2026-27.

The Academic Council has taken into account the growing demands for infrastructural development in the state of Telangana under the programmes of Telangana Rising and also National demands in the 21<sup>st</sup> century and accordingly recommended the introduction of the new programmes. Hence, some new programmes in Artificial Intelligence, Data Science and Engineering, Cyber Security, Robotics, Architecture, Planning and Design, Urban Technology & Sustainable Mobility, Semi-conductors and Nano-electronics are recommended to be introduced.

In line with NEP 2020, CCFUP and CCFPG of UGC that a holistic and multi-disciplinary education would aim to develop all capacities of individuals – intellectual, aesthetic, social, physical, emotional and moral in an integrated manner who possess critical 21<sup>st</sup> century capacities in fields across arts, humanities, languages, sciences, social sciences and professional, technical and vocational fields. Accordingly, some new programmes in Indian Knowledge Systems, Humanities, Business Management, Law, Performing and Creative Arts are recommended to be introduced.

The Council commends the University's initiative to expand its academic offerings in alignment with State and National priorities, technological advancements, rising infrastructure demands and future workforce needs. The Council recommends the undermentioned programmes for the AY 2026-27 as per the Section 29 (1) of the Principal Act 2018 for placing before the Board of Management for approval, and for submission to Government for final approval in the form of Second Ordinances.

*Approval for Bi-Annual Admission Policy (from January 2026) for All Eligible Programmes Including Ph.D*

**Resolution No. 12 : Approved.** The Academic Council approved the implementation of the Bi-Annual Admission Policy at MNR University, commencing from the January 2026 admission cycle based on the following factors.

The Bi-Annual Admission Policy allows student intake during **July/August and January/February** each academic year, providing flexibility to students who miss a cycle due to personal or external factors. It is intended to:

- Improve access and inclusivity in higher education
- Contribute to India's GER (Gross Enrolment Ratio) target of 50% by 2035
- Enhance internationalization and optimize academic and infrastructural resources

Admissions will be based on CUET-UG, CUET-PG (conducted by NTA), MNRU's entrance exams, or other national/state-level entrance tests and qualifying examination marks, in accordance with the University's approved admission policy. The academic calendar, quality standards, and support systems will remain identical across both admission cycles.

## Examination/ Evaluation System in MNR University

### 5.7 Details of the Examination system

- (a) The detailed course outlines in each course shall be prepared by the concerned teacher(s) in consultation with the Head of the Department/ Dean, which will be made available to the students during the first week of the semester. A schedule of the class tests of the academic programme shall be prepared by the Dean and notified to the students at the beginning of each semester.
- (b) In case of courses with theory and practical integration, marks allotted for theory and practical shall be in proportion to the credits for the theory and practical. The proportion of marks for the Continuous Internal Evaluation (CIE) and the Semester End Examinations (SEE) shall be 70:30 respectively. Marks for the practical shall be based on record including continuous evaluation of practical classes and a final practical examination which shall include a viva-voce examination.
- The proportion of marks between Continuous Internal Evaluation (CIE) of practical work and final practical examination shall be in the ratio of 70:30.
- (c) **Semester End Examinations**
- (i) The Semester End Examinations (SEE) shall be held at the end of each semester in each course. The semester end examination in the theory portion shall be of three (3) hours duration. It shall be responsibility of the University to conduct the theory portion of semester final examination involving external faculty..
- (ii) A student with 60% physical disability will be allowed a "scribe" on his/her request.
- (d) The following academic requirements have to be satisfied, in addition to the minimum 75% attendance requirements

## 5.8 Methods of evaluation of answer scripts

### EVALUATION - DISTRIBUTION AND WEIGHTAGE OF MARKS

- The performance of a student in every subject/course (including practical and Project Stage – I & II) will be evaluated for 100 marks each, with 70 marks allotted for CIE (Continuous Internal Evaluation) and 30 marks for SEE (Semester End-Examination).
- In Continuous Internal Evaluation (CIE) for theory subjects, for a total of 70 marks there will be Component A (*two class tests for 70 marks*), Component B (*Quiz/ Viva-voce/ Home Assignments/ S & GD Learning/ Addl. Assignments/ Poster presentations at 3 Learning levels for 70 marks*) and Component C (*Attendance for 10 marks*) for a total 140 marks, reduced to 70 marks
- The semester end examinations (SEE) for theory subjects, will be conducted for 100 marks consisting of two parts viz. i) Part- A for 40 marks, ii) Part - B for 60 marks and will be reduced to 30 marks, involving external faculty in Q.P. setting/ Moderation and Online Evaluation
- For practical subjects, there shall be Continuous Internal Evaluation (CIE) during the semester for 70 marks, and 30 marks for the Semester End Examination (SEE) with the duration of 3 hours. In case any student abstains from CIE component in practical subject on ill health conditions, the evaluation re-examination will be made on production medical certificate. However, the decision of the Dean of the School concerned will be final whether to conduct the CIE evaluation component or not.

The Semester End Examination shall be conducted with an external examiner and the laboratory teacher. The external examiner will be appointed from other colleges, as decided by the examination branch of the University.

5.14 How regular and time-bound are conduct of examinations and announcement of results? Substantiate with details of dates of examinations and announcement of results for the last 3 years. Details to be provided in the following format:-

| Year | Date of exams | Date of announcement of results |
|------|---------------|---------------------------------|
|      |               |                                 |
|      |               |                                 |
|      |               |                                 |

In all the schools in the University, Semester End Examinations in both Theory and Practical are scheduled as per approved Academic Calendar of Odd/Even semesters in an academic year.

After conducting the SEE in theory, the barcoded answer booklets are scanned/ uploaded in ERP platform – evaluated ONLINE by the external faculty.

After completion of Online-evaluation, results from barcoded answer booklets are de-coded student-wise in each course for result communication
